

Recycling bins can be placed at the curb for collection on your regularly scheduled refuse pickup day. Please place all bins out by 7:00 a.m. Please do not place the bin out any earlier than 6:00 p.m. the evening preceding your pickup day.

Before placing your bin at the curb, please make sure that it is not overloaded. Items need to be secured inside the bin and should not be able to fall out or blow onto the streets.

Items that will be collected include food and beverage cans, clear glass bottles and jars with lids, plastic bags and containers marked #1 through #7, newspapers, glossy inserts, magazines, junk mail, catalogs, office paper, aluminum foil, paperback books, telephone books, kitchen pots and pans, and non-waxed coated cardboard (including cereal boxes, tissue boxes, etc.). Large corrugated cardboard (such as moving boxes, etc.) must be flattened to 2' x 2' sections or smaller prior to placing them in the bin. We apologize, but colored glass and Styrofoam cannot be collected at this time.

Please contact the Macomb County Health Department at 586-466-7923 for proper disposal of hazardous waste containers.

Should you have any questions, please call the Street & Sanitation Department at 586-469-6847, Monday through Friday from 7:00 a.m. to 3:00 p.m.
